CAPTAIN ADAM

Adam has over 20 years of experience in the maritime industry. Having first started as a deckhand on cargo vessels in Far North QLD at age 20, he found his calling as a marine tourism operator and captain along the East Coast of Australia. Adam's first captain's role was at age 24, running an adventure tourism boat out of Cairns taking people to the Great Barrier Reef. Having run vessels in Cairns, Sydney, Western Australia and the Gold Coast, he has covered all facets of the industry. Adam has a laid back and easy-going personality but a professional manner and is loyal to crew and passengers.

Adam's background covers the likes of jet boats, ferries, water taxis, whale watching vessels, fishing charter boats and luxury yachts. He is proud to now be based in Whitsundays and to show this unforgettable region to guests. He aims to give passengers the very best experience possible, with safety and comfort in mind. In his spare time, you'll find him surfing, free diving or playing his guitar and didgeridoo.
