THE WHITSUNDAY ISLANDS & WHITEHAVEN BEACH ARE AN INTEGRAL PART OF THE GREAT BARRIER REEF MARINE PARK.

Our full & part day cruises combine sailing throughout these spectacular Islands with a visit to the white silica sand of Whitehaven Beach and snorkelling at fringing reef locations. The boutique sailing experience is offered exclusively to Hamilton Island guests and we operate with a maximum of 50 guests, so getting away from the crowds is what we are all about.

ON THE EDGE

ECOLOGY

ON THE EDGE IS A SPACIOUS 20M SAILING CATAMARAN DESIGNED SPECIFICALLY FOR DAY SAILING ADVENTURES THROUGHOUT THE WHITSUNDAY ISLANDS.

She is 12m wide and has a roof that covers approximately 50% of the deck area of the vessel providing some protection from the elements. With her 33m high rotating mast & large sail area she will impress all levels of sailing enthusiasts. We have special Marine Park Permits that provide us with access to the best fringing reef snorkelling sites throughout the Whitsunday Islands. Mother Nature plays a large role as it really does depend on the weather and tidal conditions on the day. We are an active participant in the community based coral health monitoring system Eye on the Reef & would love to have you involved. We are also an Advanced Ecotourism & Climate Action certified business and look forward to sharing our respect & care of the Great Barrier Reef Marine Park with you.
